Dan,

I am going to send the copy for the Dumey's to their counsel and leave it to her to get a copy to her client, unless you want to send a copy to the Dumey's. Thanks.

Steve

FYI, counsel for the Dumeys would like a copy as well.

Brenda, David,

EPA's third Five-Year Review Report for the MEW Superfund site was recently completed, and a copy of this document was mailed to the public library in Cape

Girardeau (our local document repository for the site) on July 31. As this document discusses the results of the samples EPA collected earlier this year from both of your properties, I felt it was appropriate to notify you both of this document's availability as soon as possible. Please let me know if you have any difficulty accessing this document, or if you have any questions on it.

Sincerely,
Daniel R. Gravatt, PG
